4. kelas baru Customer

The screenshot displays the NetBeans IDE environment. The 'Files' view on the left shows a project named 'Rotku' with a package structure including 'modul4', 'modul5', and 'Lathani'. The 'Output - Modu5 (run)' window on the right shows the execution results of a program, displaying customer details for five different customers: Aninda Iuvia n, Prasetyo, Sifa Faisalsabilla, Lala Trulala, and Lili Trulili. The main editor area shows the 'Customer.java' file.
